Success Story

Established in the Year 2017 with a dream to serve the society, Ummid Foundation - Hope for Human, started its journey by supporting the under privileged people

Ummid Foundation - Hope for Human, stands as a beacon of hope and progress, embodying a steadfast commitment to sustainable development, community empowerment, and environmental stewardship. Through its multifaceted initiatives spanning education, health, livelihoods, and agriculture, the organization has made a tangible and lasting impact on the lives of individuals and communities across India. In the initial days there were very few in count who sought the support and guidance but the journey longed to 8 years with more than 3500 + beneficiaries getting benefitted now through various programs from Ummid Foundation.

The Journey started with one small Swing Training Center which has now multiplied and has become the reason for many women livelihood in the Dwarahat Dist Almora (Uttarakhand). The Girls & Women, who hesitated to come out are now leading their livelihood without any hesitation. Ummid trained girls & women through experienced local trainers in Tailoring and has also framed up the market for women who successfully completed the training and are making their livelihood. Ummid has extended its support in market placement and product enhancement of these women's trained. Ummid not only provided livelihood to women but also ensured that the kids of these families and the families in need by supporting them to continue their Elementary Education.

Ummid Foundation's Elementary Education initiative aims to provide free and compulsory education to underprivileged and slum children. By distributing bags and stationary materials, we have supported over 1000+ children, ensuring they have the necessary tools for learning. Additionally, we promote education in rural areas by providing essential resources to schools and offering guidance to students on exam preparation and career choices.

From renovating schools and distributing educational resources to providing free sanitation pads, organizing health camps, and training farmers in organic agriculture, Ummid Foundation has consistently demonstrated its dedication to addressing the most pressing challenges facing society. By fostering partnerships, innovation, and community participation, the organization has not only alleviated immediate needs but also laid the groundwork for long-term transformation and resilience.

Fostering Hope for Humanity through investment in Elementary Education:

The Ummid Foundation stands as a beacon of hope in the realm of humanitarian endeavors, striving to uplift communities through various impactful projects. With a steadfast commitment to creating positive change, the organization operates with a vision of a world where every individual has access to education, healthcare, and opportunities for growth. Through strategic initiatives and collaborative efforts, Ummid Foundation aims to empower marginalized and underprivileged populations, fostering a future filled with promise and potential.

Education Initiative: One of the cornerstone projects of Ummid Foundation is its comprehensive education initiative, which aims to address the systemic barriers to learning faced by disadvantaged children. Central to this endeavor is the renovation and revitalization of schools, creating conducive learning environments that inspire and empower students. By refurbishing school infrastructure, Ummid Foundation ensures that children have access to safe, functional, and stimulating educational facilities.

In addition to infrastructure improvements, Ummid Foundation is dedicated to providing essential educational resources to students in need. Through the distribution of school bags and stationery, the organization equips **800 plus students annually** with the tools they need to succeed academically specially to poor and needy students. This initiative not only alleviates the financial burden on families but also instills a sense of pride and motivation in students, empowering them to pursue their educational aspirations with confidence.

Ummid Foundation also bagged the credit of conducting **HCL's Vidyagyan Schools (VidyaGyan Leadership Academy (supported by the ShivNadar Foundation))**. Selection Exam in Uttarakhand for two years where the kids were trained in Language and also they were trained on using the OMR for the first time. Around 500+ kids participated in this Exam from remote villages of Dwarahat, Chakhutiya & Bhikyasen Blocks Almora districts of Uttarakhand. The kids were facilitated with Stationeries, Food and transport. A few number were even been selected for the second round of interview which was held at their campus.

Education is one sector where Ummid Foundation has extended its best support in terms of Kids Education, Materials supply or Promoting Education Programs Rural Remote School / Students:

Ummid Foundation – Hope for Human has also ensured to extend its support to Schools in rural villages by providing Desktop Computers / Projector & CCTV Camera, Stationery, School bags etc., to enhance the quality of education to the students studying. Not only that Ummid Foundation has also tried its best to ensure to keep the students motivated by conducting various events , camps and competitions. These programs were conducted in NCR and Uttarakhand's Rural schools which attracted many students' participation and enhancement.

Pioneering Progress through Sustainable Development

The Ummid Foundation Hope for Human stands as a beacon of hope and progress, dedicated to fostering sustainable development and empowerment in communities across Uttarakhand, Delhi / NCR. With a steadfast commitment to addressing socio-economic challenges, the organization implements transformative projects in partnership with various stakeholders. Through its collaborative efforts and innovative programs, Ummid Foundation endeavors to create lasting change and uplift the lives of individuals and families.

NABARD Partnership: Ummid Foundation's partnership with the National Bank for Agriculture and Rural Development (NABARD) exemplifies its dedication to promoting economic resilience and entrepreneurship among rural populations. Through the Livelihood Enhancement & Enterprise Development Programme (LEDP) and Micro Enterprise Development Programme (MEDP), the organization empowers individuals with the skills and resources they need to thrive in today's economy.

Chappal Manufacturing Training and Unit Setup: In collaboration with NABARD, Ummid Foundation spearheads the Chappal Manufacturing Training and trained around 90 SHGs women's and help in Unit Setup at Rampur Almora. Recognizing the potential of local craftsmanship and indigenous industries, the initiative provides comprehensive training in chappal manufacturing techniques. Additionally, the establishment of manufacturing units creates employment opportunities and stimulates economic growth in the region, contributing to sustainable livelihoods and community development especially to women and unemployed youth.

Sewing and Designing Training for SHGs: In Bageshwar district, Ummid Foundation extends its support to Self-Help Groups (SHGs) through sewing and designing training programs. By imparting valuable skills in garment production and design, the organization empowers women to generate income and become self-reliant entrepreneurs.

Through these capacity-building initiatives, Ummid Foundation fosters economic empowerment and social inclusion, enabling women to contribute actively to the economic growth of their communities.

After successfully completion of the NABARD MEDP Programme Ummid Foundation – Hope for Human decided to go further with those SHG women's to organize and educate **environment eco-awareness camp by emphasizing on the usage of cloth bags (to ban single-use plastic) and by supporting in making of 5000 cloth bags using recycled cloths which helped them to generate livelihood.** As a part of Plastic Free Campaign the team visited many places and did many sessions to educate the public about the harmfulness of plastic usage and to emphasise the usage of cloth bags to have toxic free environment.

Agriculture and Climate Change: Tree Plantation and Climate Change Project in alignment with its commitment to environmental sustainability, Ummid Foundation undertakes a tree plantation and climate change project in Block Chakhutiya, district Almora. Recognizing the urgent need to combat climate change and preserve natural resources, the organization mobilizes community members to participate in tree plantation drives and environmental conservation efforts. Through education and awareness-raising activities, Ummid Foundation promotes eco-friendly practices and fosters a culture of environmental stewardship among local residents.

Empowering Communities through Health and Hygiene

The Ummid Foundation Hope for Human stands as a beacon of hope and transformation, dedicated to improving the health and well-being of communities in Delhi/NCR, Uttarakhand, and Haryana. With a holistic approach to community development, the organization spearheads initiatives that promote health awareness, hygiene practices, and access to essential healthcare services. Through its unwavering commitment to public health, Ummid Foundation empowers individuals and families to lead healthier, more fulfilling lives.

Health and Hygiene Campaign: At the forefront of Ummid Foundation's efforts is its comprehensive Health and Hygiene Campaign, which seeks to address the pressing health challenges faced by underserved populations. Central to this campaign is the provision of free sanitation pads to women residing in cluster areas of Delhi/NCR and Uttarakhand. By ensuring access to menstrual hygiene products, the organization not only promotes women's health but also empowers women to participate fully in social, economic, and educational opportunities. Ummid Foundation goes above and beyond in its commitment to improving healthcare access by organizing more than 42 health camps across different locations in Delhi/NCR, Uttarakhand,

The impact of Ummid Foundation's Health and Hygiene Campaign and health camps is profound and far-reaching. By providing free sanitation pads and organizing health camps, the organization has positively impacted the lives of thousands of individuals, particularly women and underserved communities. Through education and outreach efforts, Ummid Foundation not only addresses immediate health needs but also fosters long-term behavior change and empowerment.

Empowering Farmers through Organic Farming.

Ummid Foundation - Hope for Human stands as a beacon of hope and empowerment, dedicated to promoting sustainable agriculture and empowering farmers across India. With a strong commitment to environmental stewardship and community development, the organization spearheads initiatives aimed at enhancing agricultural practices, fostering economic resilience, and promoting organic farming techniques. Through its **Training & Awareness Program under the Participatory Guarantee System of India (PGI India)**, Ummid Foundation is at the forefront of a movement towards more sustainable and environmentally-friendly agricultural practices.

Training & Awareness Program: Under the auspices of the **National Centre for Organic and Natural Farming, Department of Agriculture & Farmers Welfare, Government of India**, Ummid Foundation implements a comprehensive Training & Awareness Program for farmers. This initiative aims to equip farmers with the knowledge, skills, and resources they need to transition to organic farming methods and participate in the Participatory Guarantee System (PGS) certification process. Through workshops, training sessions, and field demonstrations, the program empowers farmers to adopt sustainable agricultural practices that promote soil health, biodiversity, and environmental conservation.

Participatory Guarantee System (PGS): The Participatory Guarantee System (PGS) is a peer-reviewed certification system that enables small-scale farmers to certify their produce as organic through a participatory and community-based approach. By facilitating the PGS certification process, Ummid Foundation empowers farmers to access organic markets, command premium prices for their produce, and improve their livelihoods. Moreover, PGS certification enhances consumer trust and confidence in the authenticity and quality of organic products, thereby fostering market demand for sustainable agricultural produce.

The Ummid Foundation's Training & Awareness Program has made a significant impact on the lives of more than 760 farmers. By providing training and support in Organic/Natural farming techniques and PGS certification, the organization has empowered farmers to adopt more sustainable and environmentally-friendly agricultural practices. Moreover, by facilitating access to organic markets, Ummid Foundation has enhanced the economic viability and resilience of small-scale farmers, contributing to rural livelihoods and community development.

Social Activities: Ummid Foundation Hope for Human, not only has initiated its versatile projects post corona but has also worked during the corona by supporting the needy in various forms. We have the honor of supporting the patients in the ICU in Chennai and Kurnool and have also at the same time extended its support in the form of arranging Oxygen Cylinders in Delhi NCR during the crisis. Ummid Foundation has also supported people with disability unable to manage their expenses due to the Lock Down by providing them regular checkup and Medical Facilities.

We, the Ummid Foundation Hope for Human, remains committed to its mission of promoting sustainable agriculture, environmental conservation, and rural development. By continuing to expand its Training & Awareness Program and support farmers in their transition to organic farming, the organization aims to create a more sustainable and equitable food system. Ummid Foundation envisions a future where farmers are empowered to thrive in harmony with nature, producing healthy, nutritious food for generations to come.

Environmental Go Green:

Greenpreneurship for a Plastic Free Tomorrow program initiated by the Ummid Foundation Hope for Human promote Environmental Awareness where we aware students / people on the detrimental effects of plastic pollution on the environment. Through educational campaigns, workshops, and community outreach programs, we aim to instill a sense of responsibility and environmental stewardship through a CSR Project in collaboration with **SAVE-Microfinance Private Limited (SMPL), New Delhi**

Ummid Foundation also supports the artisan working on various field such as Groups making Areca Items , Bio Degradable Bags , Harmless natural Liquid Dish Washers , Soaps , Floor Cleaners, Bamboo Bottles makers etc.

Ummid is now working on Go-Green ship Program where the objective of the program is to eradicate plastic usage from big corporates by reinstating natural products such as Areca Plates in place of Plastic disposable plates, Compost

Dustbin bags replacing plastic bags, replacing the chemical based hand wash and dish wash with natural and organic liquids, replacing the pet bottles with hygiene bottles such as clay, Bamboo etc., In fact Ummid is also working on the Hand Made recycled paper diaries covered with Seed Paper Covers which will again emphasize the need for change for a better environment.

Ummid has worked on nature by contributing its services in waste management too. Ummid and Hero electric has conducted drive on E-waste as a part of CSR Activity.

As we embark on the journey ahead, Ummid Foundation invites all stakeholders to join hands in building a brighter, more sustainable future for generations to come.

Together, we can create a world where every individual has the opportunity to thrive, where communities are empowered to shape their own destinies, and where hope remains a guiding light in our collective pursuit of a better tomorrow.

Thankyou!

Ummid Foundation – Hope for Human (TRUST) registered as per INDIAN TRUST ACT 1882 vide **Trust Deed # 577/80 dated 07/02/2017.**

Women Empowerment:

Women's empowerment is the process of empowering women. It may be defined in several ways, including accepting women's viewpoints or making an effort to seek them, raising the status of women through education, awareness, literacy, and training. Women's empowerment can be defined to promoting **women's** sense of self-worth, their ability to determine their own choices, and their right to influence social change for themselves and others.

“Nai Roshni”, a Leadership Development Programme for **Ministry of Minority Affairs (Government of India)**, Leadership Development Programme (Nai Roshni) **Ministry of Minority Affairs (Government of India)**, at Udham Singh Nagar District, Uttarakhand. Year 2018-2019,

Sewing Training Centers - Ummid is running Sewing Training Centre at Dwarahat District Almora Uttarakhand. Sewing Training Centre to make women self-sufficient and confident. Stitching garments is one job that remains till end of the mankind. Further, **we have trained more than 1500 beneficiaries in year 2018-2023**

Trainings on promotion of menstrual hygiene among adolescent girls

Trainings on promotion of menstrual hygiene among adolescent girls (age: 12-19 years) and poor women in

Elementary Education is the first stage in formal education. It is free and compulsory, for underprivileged & Slum children. We, in Ummid Foundation - Hope for Human, are trying our best to reach out to many such kids in every possible way. We distribute bags, stationary material free of cost, amongst the kids living in slums as well as less privileged kids studying in remote rural government as well as private schools.

More than 1000 kids have benefitted from this program. Every kit cost approximately ₹ 450/-. The stationary kit suffices their annual requirement. Ummid's Supporters have helped us in this activity of ours. We aim to reach out to maximum students, so that their wish to study is fulfilled and doesn't get affected because of lack of stationary. Each year we aim to target double the count of the previous year.

Promoting Education Programs Rural Remote School / Students:

Ummid Foundation – Hope for Human, supporting schools in various ways (Providing Desktop computers / Projector & CCTV Camera, Stationery, School bags & organizing drawing competitions etc.) in NCR & Uttarakhand's remote rural schools to promoting **Elementary Education Programs**.

Education - Skill Development / Training

Elementary Education is the first stage in formal education. It is free and compulsory, for underprivileged and Slum children.

Education is every child's birth right. Unfortunately, there are too many kids who go to school but do not get basic stationary such as school bags, notebooks, pencils, erasers, pens, color box set. We, in **Ummid Foundation - Hope for Human**, are trying our best to reach out to many such kids in every possible way. We distribute bags, stationary material free of cost, amongst the kids living in slums as well as less privileged kids studying in government schools.

More than 750 kids have benefitted from this program. Every kit cost approximately Rs. 175.

The stationary kit suffices their annual requirement. Ummid's Supporters have helped us in this activity of ours. We aim to reach out to maximum students, so that their wish to study is fulfilled and doesn't get affected because of lack of stationary. Each year we aim to target double the count of the previous year.
